WORK EXPERIENCE

Intern

Bhutan Interdisciplinary Research & Development (BIRD) | June 2025- August 2025(

- Assisted in data analysis, cleaning, and reporting for organizational projects.
- Worked with Excel, Python, and database tools to manage project data.
- Supported project documentation activities.
- Collaborated with team members on IT-related tasks.

PROJECTS

- Attention-Based Multimodal Hate Speech Detection Using Deep Learning([Link](#))**
 - Developed an attention-based multimodal hate speech detection system by integrating **BERT** for text analysis and ResNet-50 for image feature extraction in a 3-member team
 - Implemented and compared three multimodal fusion strategies **End-to-End Attention Fusion**, **Feature Concatenation**, and **Feature Attention Fusion** using PyTorch and Python.
- DBMS project on Car Insurance Management System**
 - Designed and implemented a database-driven application to manage customer details, insurance policies, claims, and payments in a two-member team.
 - Utilized MySQL for backend data handling and ensured efficient data retrieval through structured queries and relational schema design.
- Spam Email Detection using Machine Learning([LINK](#))**
 - Built a machine learning model to classify email messages as spam or not spam using Python, Scikit-learn, TF-IDF Vectorization and Logistic Regression.
 - Achieved **96.77%** classification accuracy on the test dataset.

TECHNICAL SKILLS

- Languages:** C, C++, Python, Java
- Version Control and Database:** Familiarity with Git, GitHub, MySQL and Database Management
- Tools/Platforms:** Excel, PowerPoint, Canva, VS Code
- Web Development:** HTML, CSS, JavaScript
- Networking:** TCP/IP, LAN/WAN fundamentals, Network Troubleshooting, Basic Network Configuration, VLAN concepts.
- Concepts:** OOP, SDLC, System Design
- Testing:** Knowledge in unit testing, integration testing and system testing
- Soft Skills:** Communication, Creativity, Team Collaboration, Analytical Problem-Solving Skills, Time Management, Data Analysis

CERTIFICATIONS

- Silver medal in Introduction to Internet of Things([LINK](#)),
- Programming in Java([LINK](#)),
- The Joy of Computing Using Python([LINK](#)).
- Introduction to Environmental Engineering and Science- Fundamentals and Sustainability Concepts([LINK](#))

LEADERSHIP

- Member, DTU International Students Society (ISS)
- Vice President, BSA-DTU (2024-2025)
- President, BSA- DTU (2025-2026)
- Hostel Councilor, Drukgyel Central School (2020-2021)

COURSES UNDERTAKEN

Data Structure and Algorithm, Algorithm Analysis and Design, Operating Systems (Windows, Linux, Unix), Computer Networks, Object-Oriented Programming (OOP) concepts, Database Management Systems (DBMS), Artificial Intelligence, Machine learning, Internet of Things and Wireless and Mobile Computing

EXTRA CURRICULAR ACTIVITIES AND ACHIEVEMENTS

• Achievements

- Recipient of **ICCR Scholarship** by Indian government.
- Ranked 25th in Engineering Ranking from BHSEC category (July, 2023)
- Recipient of **King's Merit Certificate** for two years (2017 and 2019).
- Represented Bumthang Dzongkhag in the **12th Golden Youth Awards** 2019
- Many **Certificates of Excellence** for being top student throughout school days.
- Received the **Student of the Year Award** Chumey Central School (2019)

• Extra-curriculars Activities

- Participated in **Goi Peace Foundation** International essay contest 2018.
- Volunteered in the **10th Tour of the Thunder Dragon** in 2019.
- Was member of **Desh Ki Mentors (DKMS)**, a project focusing on mentoring the young children of India in terms of education.

OTHER INFORMATION

- **Languages:** English, Dzongkha, Hindi.
